

OilSafe

Stumpy Spout Hose Extension

Part# 102021

This flexible spout hose attaches to the OilSafe Stumpy Spout Lid, making awkward or hard-to-reach fill points easy and fast to access and service. The addition of the Stumpy Hose Extension to the outlet spout of the Stumpy Spout Lid also eliminates the need for funnels, which are notorious for attracting contaminants. The hose can be removed from the fittings and the length cut to suit the application.

- 10.4" (26.4 cm) in length
- Flexible design
- Ideal for awkward or hard-to-reach areas
- Easily attaches to the OilSafe Stumpy Spout Lid
- Eliminates the need for funnels
- Hose length can be cut to suit application

Weight: .28 lb / .13 kg
