

OilSafe

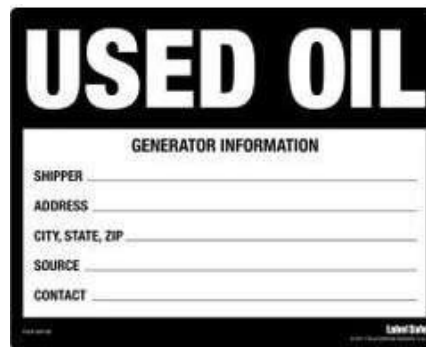

Preprinted NFPA & Other

“Used Oil” label – adhesive

8”x 11” (20.3 x 27.9 cm) – Detailed
Part # 289106

OilSafe Pre-printed Labels are designed to increase workplace efficiency and are available in a variety of sizes, materials and styles. Examples include:

- **NFPA Labels (Blank)** – Clearly identify the NFPA information of any substance by simply filling in the blank fields.
- **Used Oil Labels** – Clearly identify used oil containers and assist with regulatory compliance.
- **Sample Point Labels** – Clearly identify lubricant sample points with these plastic cards. Available in Detailed and Basic formats.
- **FIFO Label** – Use based on First In First Out methodology.
