

# OilSafe

## Cartridge Management

### Cartridge Rack

Part# 300208

Wall-mounted cartridge rack solves the issue of searching around the shop to locate grease cartridges and allows for the protection and organization of grease cartridges for ease of location and access.

Mount multiple Cartridge Racks side by side as required to accommodate as many grease cartridges as required.

Store up to 12 cartridges per Rack using the GREASE SAFE Cartridge Protection Tubes & Hooks.

Weight: 4.77 lb / 2.2 kg
